## B.H.O FOUNDATION.

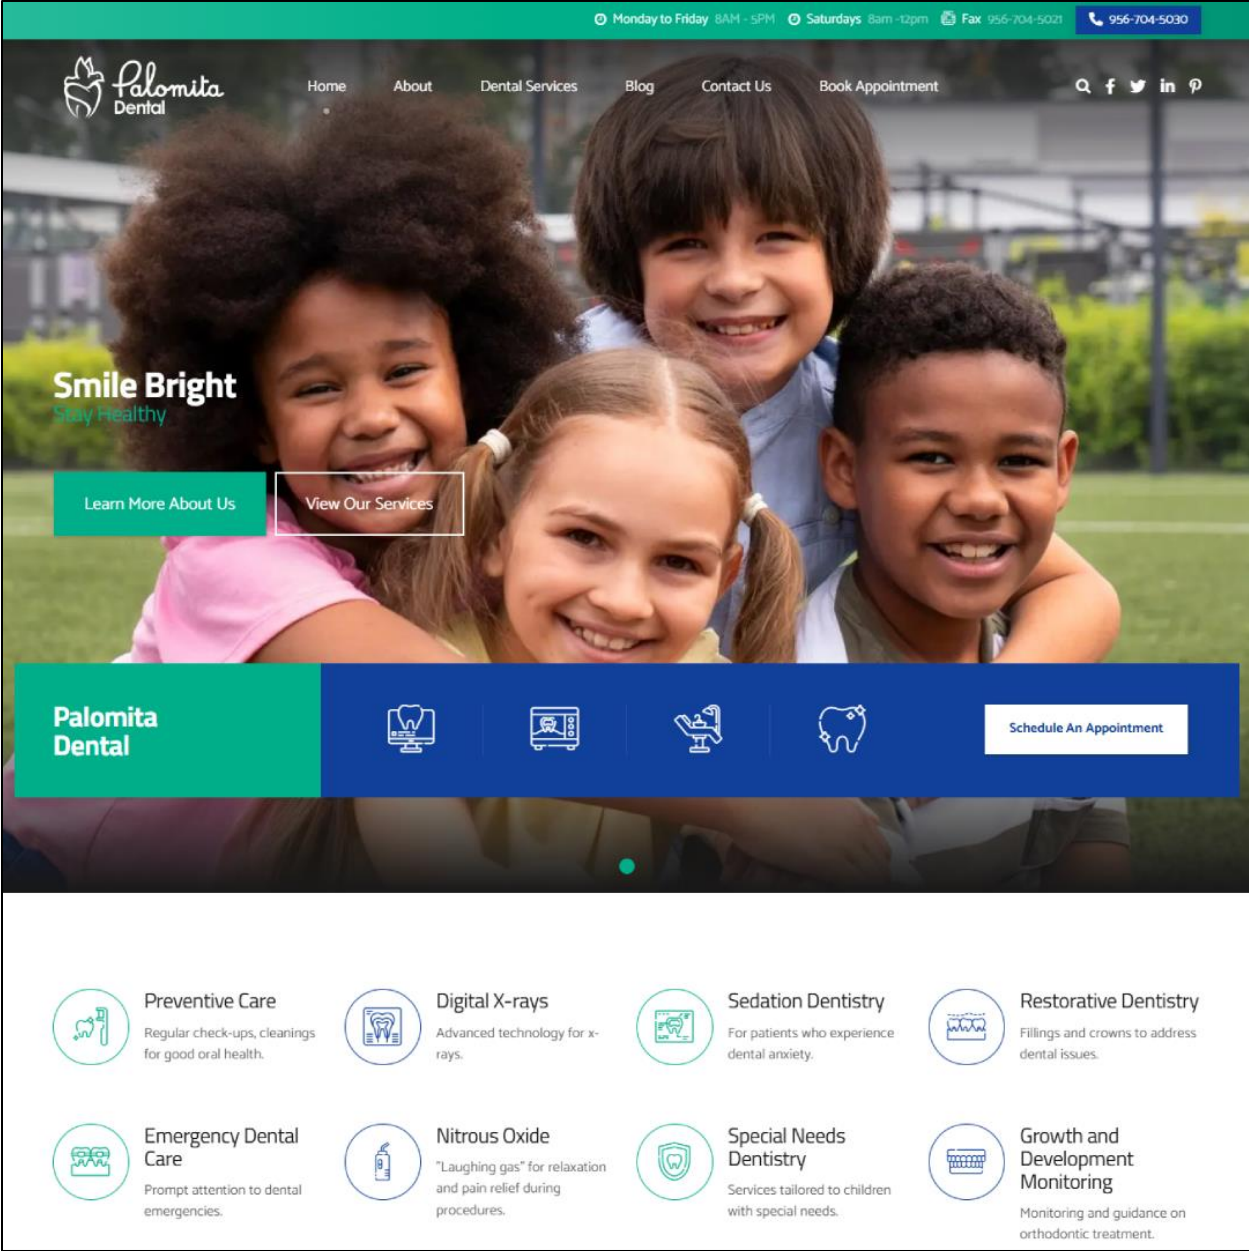

The BHO Foundation began in 2019. It was established to honor the memory of our late Father and Grandfather, Mr. Bamidele Hasan Ola who strongly believed education is a way out of poverty and changing the trajectory of the future generation. He believed every child deserves an opportunity to be educated.

The foundation seeks to identify indigent students who are limited and might not have an opportunity to a full education due to economic factors. We aim to reduce the financial burden

## How Healthville Pharmacy works

We offer several life-saving medications at the lowest possible prices.

### Send us your Rx

Talk to your doctor or start an online consultation today to receive a prescription. Then upload your prescription.

### Delivery

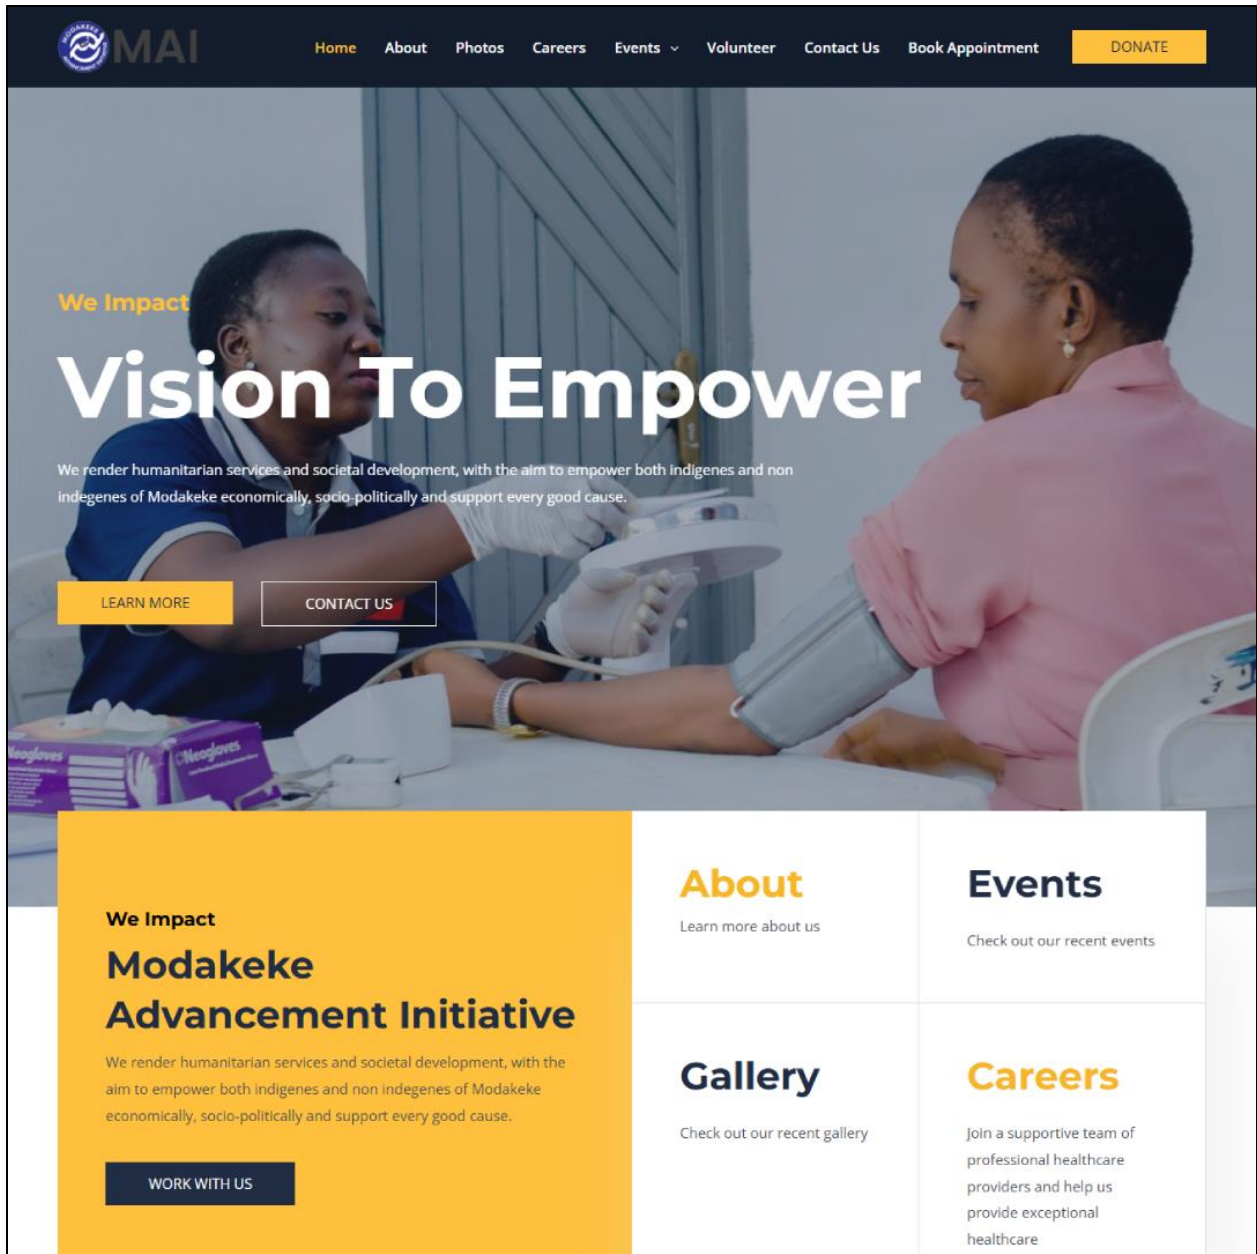

When Healthville Pharmacy receives your Rx, we will place your order and notify you when it is ready for delivery.

### Continued Care

Contact your doctor to let them know of any updates to your treatment, side effects, or any other questions
